----	-------------------	--------------------	------------------	------------------

12	where do want one does very into there who good	went swim stop much well help duck swam shell west	your find as put many door like his was any	such than best luck zip stand yet sand step thin
----	--	---	--	---

14 "I want to go on a quest," said Jen.

"We must look at the map," said Stan. "If we go west, we will find a tunnel."

"Let's go," said Jen.

They went west into the setting sun. When they got to the tunnel, they stepped in. It was wet in the tunnel. They slid in the mud. Smack!

"This quest was not a good plan," said Jen.

"It is not much fun," said Stan. "Let's go back."
